

November 1970

The results of the introductory event held on Sunday October 25th are overleaf. I apologise for any errors but by the time the control sheets arrived in my hands they were in rather a tatty state. We hope everyone enjoyed themselves, the weather was good and everybody finished the short course, most going on to complete the extra controls.

Last Sunday 13 people went down to the Reigate Hill event. As yet no results have been published but again everyone finished, Steve Brown doing well on the A-course

COMING EVENTS:

Sunday 8th November Southern Navigators badge event Nr. Slough.

Sunday 22nd or 29th November (As yet undecided by organisers) Limpsfield Chart.

Another C. U. O. C. event ?

Departing early Sunday morning, back late afternoon, transport depending on support. If you can provide a car or know of anyone with a car who would like to come, we would be grateful for a quick reply. And would everyone please return the slip at the bottom of this sheet as soon as possible, an enclosed addressed envelope would be much appreciated.

SUBSCRIPTIONS.

We are negotiating with the British Orienteering Federation and the Proctors at the moment. We will try to keep subscriptions low about 10 shillings to cover the cost of affiliation to the B. O. F. and stationary. More about this in the next newsletter.
