

\*Thanks to the help of the car-owners amongst our members, 21 eager orienteers headed east towards the unknown perils of Rendlesham Forest (Suffolk). That was at 9.30 am on Nov.5th (+/- 15mins) - some 3hrs later most of us were enjoying (?) the gentle slopes, tall pines and secretive deer (The secretary was responsible for that last phrase). Despite the network of paths (or perhaps because of them) it was quite easy to lose contact with the map and the secretary apparently found navigation by contours (2 or 3 on the map) to be useful. The results show that we have a well-balanced (!) range of talent in the Club, the Treasurer (yours truly) having an exceptional run ('truly amazing feet'- secretary).

Meanwhile, here is the rest of the news :-

Anyone who would find it an honour (+ even those who would'nt) are invited to design a club badge - all, repeat all, suggestions to Dave Cundall (Emma). There will be a PRIZE for the best design.

There are a few more events in the second half of this term, a Badge Event yesterday (Nov.12th) which most of you will have missed ; the Midlands Championships on Nov.19 to which we are sending a small team ; and another score event on Nov.26 which is being held at Farley Heath, Surrey - a long way to travel but well worth visiting. Transport will leave the Senate House at 8.30am for this event. Please return the rip-off slip below to Andrew Osborne (Pembroke) not later than Thursday Nov.23rd as transport has to be arranged.

Good oooooorienteering.
