

11.3.1973

We are most grateful to His Grace the Duke of Marlborough for giving us permission for this event, and to Mr Murdock, the Blenheim Estate land agent, and many members of his staff for their help.

The fine weather helped to make it a most successful event, but the credit must mainly go to Roger Baker and his family, who put in an enormous amount of work in spite of his being prevented by illness from getting started on the map for several vital weeks, and did a splendid job.

We were glad to have so many favourable comments. The only control that was questioned was NC on course A. The controller was satisfied that this was in the correct position relative to the features mapped in the vicinity. Different heights of vegetation made the ground look bumpier than it was, and led to the confusion.

Receipts from the nearly 380 entries and from sale of maps came to £67.84½ and one U.S. cent. Details of expenditure have not yet been finalised, but there should be sufficient profits, thanks to the large entry, for us to be able to invest in further equipment.

One small criticism of some of the competitors: it was not always easy to read the names on the control cards -- please try to write in very clear Block Capitals. The Post Office, too, may have difficulty with some of the envelopes.

Articles left at this event or our last one (Barnwood Forest): Compasses, Whistle, Clip-on dark glasses, left-hand motoring glove.

I am sorry a few days with a very heavy cold have prevented me getting these results out as soon as I should have liked.

We hope you enjoyed the event and will come to our next one, on Shotover near Oxford on June 3rd.

For details of membership of the Thames Valley Orienteering Club, send a 9"x4" stamped addressed envelope to me, David Bradnack, 47, Thame Rd, Haddenham, Bucks.
