

# Cambridge University Orienteering Club

NEWSLETTER FEBRUARY 1977 NEWSLETTER FEBRUARY 1977 NEWSLETTER FEBRUARY 1977 NEWS

Dear Orienteers,

This time you're all going to have to wade through some (famous) results to find out what's happening during the rest of the term. You can take the short-cut by flipping over the page - but I shall be very hurt.

\*\*\*\*\* THE VARSITY MATCH \*\*\*\*\*

Congratulations to the ladies and the 2nd and 3rd teams. Unlucky 1st team, but it would have been unfair [insert: bit] if we'd beaten them in everything. Here are the results.....

These split times are approx 10 minutes too much, but are included to give a guide to your performances.

\*\*\*\*\*

We are still in possession of Oxford's banner. Any suggestions as to what to do with it - K.T.

\*\*\*\*\*

The Varsity Match went as, raelistically, we all expected, but the margin was rather bigger than it ought to have been (when is Miss Beck going to have his "inconsistent run"?). There were good runs by Dave Williams, Peter Haynes, and Mike Dalton, and I'm told a certain member from Sidney is going to beat another from Fitz some time - he doesn't seem to be getting any closer (52 secs last week, 53 this week), but you never know! I have had a catalogue of D.R.K.'s excuses, but in my humble opinion they are not worth the paper they are written on. I would like to congratulate Ian B. in

doing under 10 minutes per K. ....[[ 2 ]]. Perhaps he's getting fitter!

Now to the scandal. A certain person from Cambridge whose name appeared in the Sunday Times may be able to run, but went 20 miles further than necessary to get on to the M1. I am also convinced that if one pair of red shorts and a pair of hairy legs can do that to Manchester Utd, and Cardiff City supporters - Rob ought to go round starkers!

\*\*\*\*\*

and on we go to Santon Downham \*\*\*\*\*

\*\*\*\*\*FUTURE EVENTS\*\*\*\*\*

We would like to see as many as possible at the Norwich Club event + the Stragglers' event, and we are hoping to keep the cost down for each of them. Who knows, we may even win all the classes at Easton Lodge. Look forward to seeing you on Sunday.

[A well-wisher..Ed]

\*\*\*\*\*COMPETITION TIME\*\*\*\*\* with a prize of 25p \*\*\*\*\*

Please read the following extracts carefully:

1. Perhaps the best SLOW performance at Thetford was that of Alexander Morris (M12) whose biro wouldn't write in the wet - so he punched holes in the map to mark the sites, and managed five controls before it fell to pieces.
2. From the East and from the West, from the North and from the South, they went astray in the Wilderness out of the way.
3. They go up high as the hills, and down to the Valleys beneath, even unto the place which thou has appointed for them.

I am offering a free Orienteering lunch for the first correct answer to: Where do the quotes 2& 3 come from, including any relevant nos. In no more than 10 words, complete the following sentence: "The trouble with Orienteering is Chris Brasher because...." (you are also allowed to delete one word). All employees of Kellogg's + their advertisers ineligible [illegible?] as is R. Wedgwood who supplied the info, & P. Haynes for cheating!

\*\*\*\*\*food\*\*\*\*\*LUNCHES\*\*\*\*\*

As you all know by now, there are weekly lunches on Thursdays at 1.00p.m. in W32 Christs. A nominal cost of 25p is charged, and Ian Bratt + Mike Dalton assure me you get value for money. A star attraction at these meetings is Graham Nillson, who can be heard to complain about a variety of orienteering topics, and is very amusing to listen to.

\*\*\*\*\* S\*O\*C\*I\*A\*L \*\*\*\*\* is yet again to be held in B6 New Court John's, on Tuesday 8th March. It will be a pancake party, and starts at 8.30. Cost: 50p + bring a bottle, or if anybody is interested in purchasing a barrel of beer, please let me (K.T.) know when you give me your 50p before Sunday 6th March!

Another attraction for the term is the annual boundary run - somewhere between 24 and 26 miles round the boundary of Cambridge [?] which takes place on the last Thursday of Full Term. It is great fun, and entry fee is only 25p (or at least it was). Further details from Dave Kingham, and Dave Williams.....Furthermore, I'm told that Grahame Nilesen will not be appearing.....!

The committee are still coathangers [sorry - meant to insert "interested in"], we still have plenty more controls to make, and if anyone has still to succumb [?] to Jane Carter's charms, and hasn't yet bought a badge, I should get your orders in while stocks run low!

This missive comes to you from:

Keith Tomkins (who wrote it) &

" Silvester (who typed it).....
